

silk - 60/2 nm

60/2 nm
30,000 m/kg / 14,880 yds/lb
32 wpc / 82 wpi

We have an extensive range of repeatable colours, but as with all yarns, there can be small variations between dye lots so if colour consistency is important for your project, make sure you buy enough at the same time.

£4.75 - 25 gms
£13.75 - 100gms
£35.00 - 250 gms
£65.00 - 500 gms

	bleached		ochre

silk - 30/2 nm

30/2 nm
15,000 m/kg / 7,440 yds/lb
19 wpc / 48 wpi

30/2 silk is, for many handweavers, the preferred weight of silk for a scarf, but it has been very difficult to find. The Handweavers Studio now has a palette of twenty repeatable colours, sourced especially for us.

£4.75 - 25 gms
£13.75 - 100gms
£35.00 - 250 gms
£65.00 - 500 gms

	ecru		steel
	fawn		royal
	ochre		gentian
	yellow		lilac
	orange		magenta
	rouge		chocolate
	rust		gunmetal
			black

We also have a palette of 2x 60/2 silk (at the same price) which is the same thickness as 30/2 but with very slightly less lustre.

	bleached		pale sun
	ecru		khaki
	parchment		dark bottle
	old gold		dark brown
	gold		silver white

como silk

This highly lustrous silk hangs well but not in a softly drapy way. It has quite a hard twist and is wonderful for knitting. It also works well as an accent yarn or in narrow woven scarves where its weight gives substance and body.
