

# Treetops® colour harmonies

The Handweavers Studio is delighted to carry the exquisite silk ranges from Treetops Colour Harmonies. The silk tops - both tussah and bombyx - spin beautifully, and along with the textured silk waste are wonderful to use in felting and paper-making.

## silk throwster's waste

Far from being rubbish, throwster's waste is quite beautiful and characterful, and adds great texture in papermaking. Like the Treetops bombyx and tussah harmonies, it comes in creative colour blends. Contact us for details of what we have available.
