

# Coming up in our autumn workshop programme...

- **Introduction to Weaving** - This four-day workshop (over 2 consecutive weekends) is the ideal way to start if you have never woven before, or want a refresher course of the basics. Over the course of the two weekends you will also learn all the steps involved in getting a loom ready to weave, and what to do to finish your cloth properly once it's woven. You also receive a substantial handout!

29-30 September & 6-7 October **or** 6-9 & 15-16 December  
Tutor Dawn Willey £325

- **Introduction to Spinning** - In this single day workshop you'll start by learning how to prepare your fibre for spinning. Then you'll move right into spinning, first of all using a drop spindle, then moving onto a wheel. You'll cover the basic techniques for spinning and plying using wool. Within the day you should be able to complete a small skein and be well placed to continue practising on your own.

Tutor: Brenda Gibson 7 October (Sunday) or 21 October (Wednesday) £95

- **Easy As ABC: compose a line of text & weave it!**

This class is an introduction to using Adobe PhotoShop to design for the TC-2 or other digital hand looms. You will learn to translate a line of text into a weaving file, and weave it with a single shuttle in a figured damask satin or twill on our TC-2 loom.

Tutor: Belinda Rose 20 October (Saturday) £160

- **Modern Macrame** - In an afternoon, learn basic techniques from a professional, then use your new skills to make your own unique pot hanger.

Tutor: Jessica Light 27 October 2-5pm £45

**• Learn, Make & Take: learn to set up a rigid heddle loom & weave a scarf to wear home!**

This workshop will introduce complete beginners to the rigid heddle loom and the world of weaving. It will suit knitters looking to try something new, spinners whose yarn collection is growing faster than they can knit, anybody fearful of complex looking looms, plus crafters who like to produce a finished item as they learn a new skill! As usual with our workshops, all materials will be provided.

Tutor: Dawn Willey 17 November (Saturday) £95 - deposit £25

## **Weekly Weaving Classes**

**Evenings: Monday, Tuesday and Wednesday 6.00 - 8.30pm**

**Afternoons: Tuesday and Thursday 1.30 - 4.00pm**

**Mornings: Tuesday and Thursday 10.00am - 12.30pm**

Our weekly weaving classes (organised into three 10 week terms - autumn, spring and summer @ £197 per term) are suitable for all levels of weaving experience.

Every student is assigned a modern 8 shaft loom that will be 'theirs' to weave on for the term. Class size is limited to 10 people, to enable the tutor to give as much support as possible to each individual.

Beginners learn weaving basics, as their class tutor guides them through the entire weaving process with the Handweavers sampler (we will provide the materials for your beginner sampler) - once familiar with the process of weaving you will then be ready to work on your own projects with your tutor's continued support.

Improvers, and more experienced weavers, work on their own projects with the support of the class tutor.

If you are interested in joining one of our weekly weaving classes we will be happy to put your name on the Weekly Classes waiting list - let us know which time slot you are interested in.
